Agency details

Agency number: 521
Agency title: Bushwalkers' Club
Start date: 1944
End date: 1978

Administrative history note:
The Sydney Technical College Bushwalkers' Club was established on 12 October 1944 (CN209, Walks Secretary's Report 1945). A new club (primarily aimed at day students) called the NSW University of Technology Bushwalkers' Club was also established on 16 March 1951 (S1052). Both clubs were affiliated to the Students Union at its 9 October 1953 meeting (CN293). From the meeting of 6 December 1956 the STC Bushwalkers' Club appears to have taken on the name "the University of Technology (STC) Bushwalkers Club". It is unclear from the records as to whether the two clubs merged or if the first NSWUT club had ceased to exist at this point, but the renamed UT Bushwalkers' Club continued with the same office bearers and activities of the former STC Bushwalkers' Club without any apparent input from the former NSWUT Bushwalkers' Club (CN209).

On 3 October 1978 the Club held an extraordinary general meeting, which approved its amalgamation with the Mountaineering Club to form a new Bushwalking and Mountaineering Club (CN209).
