The School of Biotechnology & Biomolecular Sciences was formed by Council on 8 October 2001 within the Faculty of Science effective from 1 January 2002 as a result of the disestablishment of the former schools of Biochemistry & Molecular Genetics and Microbiology & Immunology, as well as the Department of Biotechnology (resolution CL001/84). The first head of school was Professor Peter Little.
In 2007 the Head of School of Biotechnology & Biomolecular Sciences was Professor Pauline Doran.

Preceding agencies:

Succession date: 1956 - 2001

Superior agencies:

244 Faculty of Science (2)

Period of relationship: 2002 -

Subordinate agencies:

427 Bioengineering Centre

Period of relationship: 2002 - 2006

Record series created by this agency (in chronological order by start date):

1544 Booklet Leaflet Collection of the School of Biotechnology & Biomolecular Sciences (BABS)

Date range of creation: 2002 -
