Agency details

Agency number: 440
Agency title: School of Human Genetics
Start date: 1966
End date: 1973
Creation: 11 July 1966 Council meeting (resolution 66/91i)
Abolition: 10 September 1973 Council meeting (resolution 73/187)

Administrative history note:
On 11 July 1966 Council created the School of Human Genetics, at the same time appointing Professor R. J. Walsh to the chair of human genetics and head of school (resolution 66/91i). He took up this position on 1 March 1967 (99A121). On 10 September 1973 Council approved the establishment of a School of Community Medicine with the provision that "the new school absorb the activities of the present School of Human Genetics" (resolution 73/187). Thus the School of Human Genetics effectively ceased to exist from this date.
