

Agency details

Agency number:	444
Agency title:	South Western Sydney Clinical School
Start date:	1992
End date:	
Creation:	10 February 1992 Council meeting (resolution CL92/04b)
Abolition:	
Administrative history note:	<p>On 10 February 1992 Council disestablished the schools of Surgery and Medicine and created in their place "teaching-hospital-based Clinical Schools" (resolution CL92/04b). Thus the South Western Sydney Clinical School came into being within the Faculty of Medicine, containing the "existing hospital-based departments of Medicine, Surgery and Anaesthetics & Intensive Care" (file 911991). The first Clinical Associate Dean of the school was Professor I. W. Webster.</p> <p>In 2008 the Clinical Associate Dean of the South Western Sydney Clinical School was Professor Jeremy Wilson.</p>
