Agency title:	St George (1992 - 2013) / St George and Sutherland (2013 -) Clinical School
Start date:	1992
End date:	
Creation:	10 February 1992 Council meeting (resolution CL92/04b)
Abolition:	
Administrative history note:	<p>On 10 February 1992 Council disestablished the schools of Surgery and Medicine and created in their place "teaching-hospital-based Clinical Schools" (resolution CL92/04b). Thus the St George Clinical School came into being within the Faculty of Medicine, containing the "existing hospital-based departments of Medicine, Surgery and Anaesthetics & Intensive Care" (file 911991). The first Clinical Associate Dean of the school was Professor J. A. Whitworth.</p> <p>On 7 May 2013 the Academic Board recommended that the school be re-named the St George and Sutherland Clinical School effective from 2 July 2013 (resolution AB13/16). This was approved by the Chancellor, Vice-Chancellor and President of the Academic Board on the 23 May 2013.</p>
